## "Fantastic experience and, a great organization. Highly recommend!" ★★★★★

We spent 15 amazing days in Tanzania. We started with Safari (Arusha, Tarangire, Manyara, Serengeti, Ngorongoro), followed by a Stone Town visit, and then relaxing in a beach resort in Zanzibar. The trip was perfectly organized. While preparing for the trip we had several questions, and always received great support and responsiveness from Anouk. Our experience is that this is a professional and reliable company. Everything is arranged down to the last detail. All lodges, tents, and hotel rooms were spacious, very clean, and fully equipped. The jeep was comfortable. The food is delicious. The staff everywhere are extremely friendly. Everybody made us feel "at home". Our safari guide, Fred, did his utmost to provide us with a great experience and share lots of interesting information during game drives. This was a fantastic holiday, with beautiful experiences and special memories. We can recommend Beach & Safari Holidays without any hesitation.

## "Great balance of beach and wildlife" ★★★★★

Did a two-week tour which comprised a couple of days on the beach in Zanzibar, a week in game lodges, and five days back on the beach in Zanzibar. I thought the service was great, the staff were all friendly, the food was very nice and all of the hotels we stayed at on the tour were of a high standard. I thought the value for money was excellent.

## "Unforgettable experience" ★★★★★

Do you want to experience animals in the wild? Do you want a very good price/performance ratio? Then Beach & Safari Holidays is the right place for you. We were very well looked after from the first to the last minute. If we had any questions, they were quick to help and we enjoyed our stay in Tanzania and Zanzibar very much. We will be back!

## "Incredible trip through Tanzania with great guides and breathtaking accommodations" ★★★★★

This trip was by far the best in my whole life. It was way better than I expected. Our guide Muktar and our driver Alfonso were both incredibly considerate and friendly. Muktar spoke German fluently and had a great knowledge of nature and wildlife. Alfonso's English was perfect and I felt very safe with him as a driver, even when the roads were not in a good condition. They both made sure that we were safe at all times and did their best to get us as close as possible to the animals in the parks. The accommodations during the trip were very homey with mostly good locations and amazing views as well. I would definitely recommend to book this trip.
