Activities NOW SAFARI

GAME DRIVE

We use open four-wheel-drive safari jeeps, perfectly suited for taking unobstructed pictures. The vehicles are low emission, thus less noise, and therefore we can take you close-up to the wildlife. Our English-speaking driver guide is very knowledgeable on flora and fauna and will make sure you get to see the best of Selous. They will give you as much time as you need to ask questions, take pictures and enjoy the amazing landscape.

BOAT SAFARI

A boat safari on the Rufiji River is a completely new experience. Our captain will take you cruising on the river for about 1,5 hours. The river teems with wildlife; crocodiles, hippos and many birds living around the river.

BUSHWALK

There is no better way to get close to nature than to stroll through it. You will be guided by your guide and Maasai. They can tell you about almost everything – from flora and birdlife to large animals to small. Observe and learn the secrets of the African bush.
