Explanations on taxes, fees and levies

Infrastructure tax¹ of US\$1 per person per day was introduced by the Zanzibar government from 1st July 2015. The tax is to be collected by the hotel accommodation from all in-house guests on behalf of the Zanzibar Revenue Board (ZRB).

TDL² refers to a government tax called Tourism Development Levy. The hotel accommodation is obliged to collect this bed night levy on behalf of the Tanzania Revenue Authority (TRA).

Village fee³ refers to a village levy imposed by the village council in which, or near to where the hotel accommodation is located. This amount varies per location and is to be used by the village for support and development.

WMA fees⁴ of in total US\$29.50 per person per night apply on overnights in hotel accommodations located in a Wildlife Management Area. It consists of a bed-night levy (also called 'concession fee') of US\$10+18% VAT and US\$15+18% VAT Wildlife Division/Conservation fee to MNRT. Vehicle fees also apply.

Gate fees⁵ apply on the road to Natron. There are 3 different gates in the area; usage of these gates sum up to a total of US\$35 per person per stay.

Published info and rates (February 2021) are subject to changes in government taxes and village fee increases or levy changes.
