TOP 10 RECOMMENDED SAFARI PACKAGES 2023

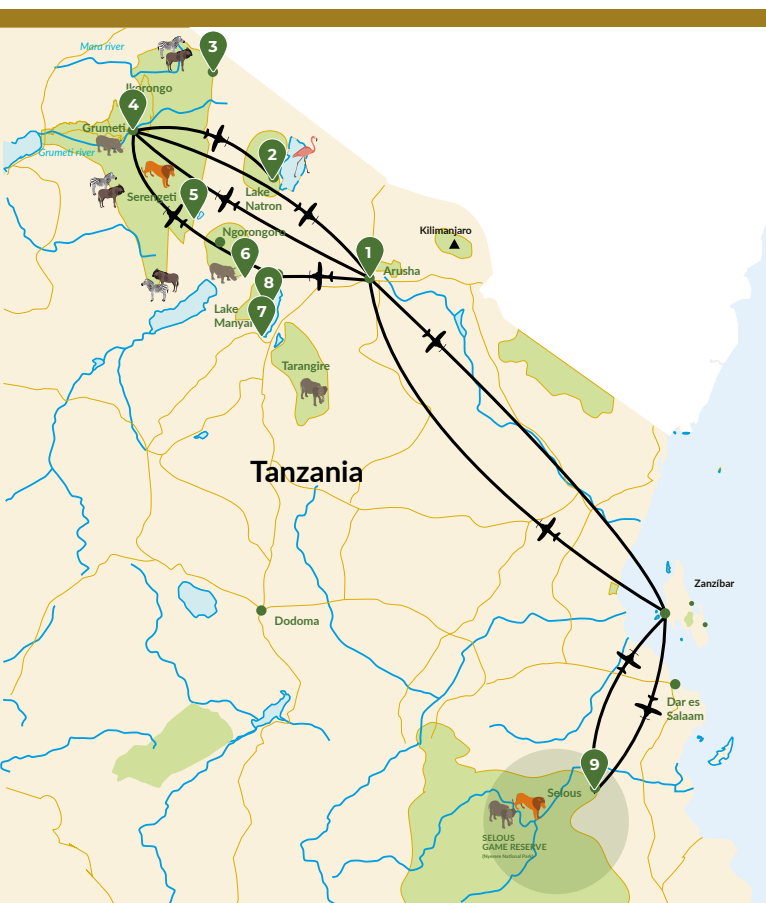

Paradise & Wilderness

Paradise & Wilderness is an expert in safaris in Tanzania and a specialist in holidays on Zanzibar, owned by Dutchman Bert Schoonvelde. Years ago, he came to Zanzibar for a holiday and fell in love with this beautiful place. The group owns several hotels and resorts on Zanzibar, as well as safari accommodations in and around Tanzania's famous national parks. With offices in Europe, Tanzania and on Zanzibar, we operate safari and transfer vehicles, have aeroplanes under our own management for daily flights from Zanzibar to safari destinations, and are fully insured and licensed.

Bert Schoonvelde:
 "My holidays in Tanzania were too short to get to know this magical country, so I stayed here and made my dream my job!"

On the next pages you can find the Top 10 of our recommended safari packages for 2023.

These packages can also be used as **inspiration**, as the **combination possibilities** are endless! To name a few:

Of course, the Northern Circuit packages can also be combined with a stay on Zanzibar.

Before the safari, after, or before and after the safari, anything goes! We can organise airport transfers and domestic flights, and our accommodations look forward to welcoming guests!

Want to reduce your car mileage? By plane we connect you to the heart of the hotspots.

Arriving and/or ending in Arusha at an odd hour? Then add an overnight stay at our hub Africa Safari Arusha.

This accommodation promotes a harmonious combination of comfort and culture for an all-encompassing yet authentic experience in Arusha.

Budget matters? We have a solution for you! Most of our accommodation offers room categories in different price levels; from basic to luxury.

Also need a Kilimanjaro airport transfer?

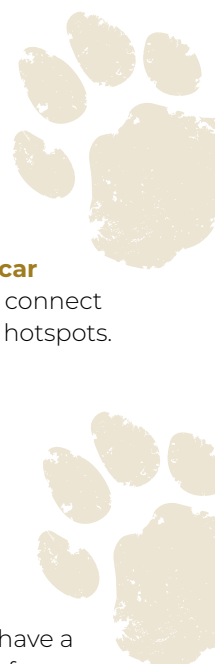

Our drivers are ready to provide you with an airport transfer to/from Africa Safari Arusha. The drive takes about one hour and offers a beautiful transition with views of mighty Kilimanjaro (weather and daylight permitting) and an introduction to the beauty of the Tanzanian landscapes.

Like the Selous Game Reserve/Nyerere National Park packages combined with a beach stay, but want an extra day of game viewing, or combine with another Zanzibar accommodation from our portfolio, add nights or reduce? Anything is possible!
